Tadashi Anno

The security environment in East Asia has been evolving more rapidly than many of us can keep up with. But what exactly has changed? What kind of changes can we expect in the future? What should Japan and the US do, and what can they do? We will hear from two leading experts from both sides of the Pacific.

This session will be held in English. 日本語での質問・コメント可
Open to: students, faculty, and staff members of the Sophia University, Sophia alumni, and to the general public
